

# You have the Top Spa Treatments

We called top spas to find out how much people are paying for the most-requested treatments, and compared them to our high-quality at-home spa treatments. See how BeautiControl products fared, and let the pampering begin.

Spa Treatment	Spa Price	Our Price	The Answer	Why we love it
	1-time use	multiple uses		
<b>MICRODERM-ABRASION</b>	<b>\$150</b>	<b>\$60.50</b>	 <p>Microderm® Abrasion Facial Buffing Creme with Buffer</p>	With ours, you get about six treatments for less than half the cost you'd pay for just one at a spa. Plus, you get to keep the buffer, which comes with multiple refill brushes.
<b>CHEMICAL PEEL</b>	<b>\$686</b>	<b>\$40</b>	 <p>Regeneration® Chemical Peel</p>	With the money you save, you can buy all of our spa treatments and still have enough left over for brunch with friends. Plus, our formula is gentler on skin, so there's no need to hide out the day after your treatment.
<b>LINE-RELAXING INJECTIONS</b>	<b>\$492</b>	<b>\$48.50</b>	 <p>Regeneration® Tight, Firm &amp; Fill</p>	If you haven't tried TFF yet, you're truly missing out. Get up to 60 treatments with no needles, pain or swelling. Clients are raving about it. TFF is everyone's new BFF.
<b>MUD MASQUE</b>	<b>\$105</b>	<b>\$35</b>	 <p>Fango Seaweed Scrub/Masque</p>	For the price of just one spa treatment, you get months of BC masques. Our high-quality ingredients draw impurities from your skin, leaving it soft, refreshed and super-smooth.
<b>WARMING MASQUE</b>	<b>\$45</b>	<b>\$22.50</b>	 <p>Spa Warming Trend Green Tea Masque</p>	Clients love the warming effect of our masque. Relax in the tub while treating your face - better than sitting in a chair in an office.
<b>FACIAL</b>	<b>\$60</b>	<b>\$67</b>	 <p>Skinlogics® Daily Facial</p>	This one's a no-brainer. Give yourself a twice daily facial - tailored to the age your skin is acting. At the spa, who knows what that strange lady breathing on you is using?
